**Comments:**

5/16/2000 - File Closure letter sent. SITLA authorized release of site 5/10 - as this is on SITLA managed lands, DOGM closes file.

5/10/2000 - Received copy of letter from SITLA stating the minimal disturbance and extent of natural revegetation, SITLA recommends release of site.

4/14/2000 - Site inspection performed in response to a request for file closure. Mr. George Hackford is representing this project file as Mr. Hall is deceased. Given the small amount of disturbance at the site, there is a possibility of closing this file if approval is granted by SITLA as the project was on their mineral lease.

2/3/2000 - Received 1999 annual report from George Hackford which stated Mr. Hall is deceased. Contact and address changed to Mr.
